

About North Carolina Roads
 Interstates: 4,000 miles
 State Routes: 15,000 miles
 US Routes: 5,000 miles
 Local Routes: 100,000 miles
 Total: 124,000 miles

SAFETY TIPS

If your vehicle stalls on railroad tracks, get out and call the number on the blue and white sign posted on the crossing gates.

If your car slides on ice or snow, turn the front wheels in the same direction (but the rear of the vehicle is sliding).

If your car breaks down, pull over. Exit through the passenger-side door and stand far away from traffic or behind the guardrail.

It is illegal to walk or take photos on railroad tracks.

TRANSPORTATION TRIVIA

How many public airports are in North Carolina?

What is the most common state-maintained street name?

How long does it take a parked car to heat up 20 degrees?
